EOC, AAoA continue to provide services to elders on the Colville Reservation

The Colville Tribal Emergency Operations Center continues to work to prevent the spread of COVID-19 across the Colville Reservation alongside area partners, such as the Lake Roosevelt Community Health Centers and Colville Service Unit.

The EOC and tribal Area Agency on Aging, through the Colville Tribes' Senior Meal Sites in each district, continue to provide meals to elders on the reservation seven days weekly and complete additional tasks, such as completing outdoor chores, delivering groceries and medicine, helping with wood and more.

Recently, the EOC worked with Colville Tribal Public Works Department to install bins near meal sites to assist with the elder clean up program. This program is available to area elders who have signed up with the AAoA.

If you are an elder or if you know an elder who is not currently receiving services and would like to - or if you have additional service needs that would help you stay home and stay healthy - please contact the Colville Tribal EOC at 509-634-7350.

For emergencies, call 9-1-1.
